

April 11, 2020

EYSA and Flames Families:

ALL city facilities remain CLOSED - this includes Carroll, local schools, and Elizabethtown Sports Park.

USYS has shut down their conference play through May 1.

<https://www.usyouthsoccer.org/2020-us-youth-soccer-conferences-suspended-through-april-30-2020/>

Our recreational board met by Zoom this afternoon and voted to end our spring season. Refunds will be issued for registration and volunteer fees. Uniforms will be distributed with refund checks. Parent shirt fees will also be refunded. We are working on a plan for this distribution process to maintain social distancing and have the support of the city to do so safely. This will be sent out as soon as we have a process that will do this.

We are planning on being able to have summer camps, using our referees with support from Flames and area coaching staff. We do not have dates at this time, as we need to wait for current executive orders to be lifted and it is unknown when that will happen.

Flames families should refer to communications specific to them and direct questions to Alex Shearer. The refunds in this letter apply to RECREATIONAL soccer only.

The uniform vendor bid decision has been suspended and will be revisited in the 2020-2021 season.

From KYSA:

We appreciate your understanding and patience as we are dealing with something that is unpredictable. We will continue to provide updates as they become available.

If you have any questions or ideas, please contact your AGCs for EYSA and Alex Shearer for Flames.
